PLANNING & DEVELOPMENT MEETING June 28, 2023 MINUTES

Present: Madam Chair Clayton, Vice Chair Schack, Supervisors Davies, Gilbert, and Kelley; Treasurer Kopacek, Clerk Derfler

Pledge to the Flag was conducted, followed by the reading of the township mission statement.

Approve the Minutes

May 24, 2023, P & D Minutes

A motion was made by Supervisor Schack and seconded by Supervisor Gilbert to approve the Minutes of the May 24, 2023 Planning and Development Meeting. Ayes-5; Nays-0. Motion carried.

Additions and Corrections

Chair Clayton requested to add Peterson Zoning Application as item 12.E. under New Business.

A motion was made by Supervisor Davies and seconded by Supervisor Schack to approve the P and D Agenda with the addition of Peterson Zoning Application as item 12.E. under New Business. Ayes-5; Nays-0. Motion carried.

Business from the Floor

Wendigo Park Road Speeding

Scott Casper, 18919 Wendigo Park Rd, contacted the board with concerns about the speeding on Wendigo Park Rd. He believes there is a lack of signage on the road contributing to speeding. He was also concerned about the number of trees blocking the right-of-way on the NE corner of Underwood Rd and Wendigo Park Rd. He suggested a lower speed limit entering the 90-degree turn near Wendigo Park Circle, speed humps on Wendigo Park Rd, and children at play signs.

Chair Clayton shared some road sign information in the agenda packet for the board to reference. She also stated that this topic could be discussed further at an upcoming work session.

Dan Butterfield, 21810 Verde Lane, shared that residents on Airport Rd/CR-96 have also encountered problems with speeding. They have considered meeting with the county to discuss adding speed humps on Airport Rd. The county previously stated that they refrain from installing speed humps on state-aid highways.

Supervisor Gilbert stated that the Sheriff told him last year there was going to be a speed survey done on Wendigo Park Rd. He is not certain whether it was completed. He also stated that the tree branches at the corner of Underwood Rd and Wendigo Park Rd was noted on the Board's road tour and was deemed to be on personal property, not the right-of-way. Further discussion held.

Consent Agenda

There were no Consent Agenda items.

Roads

Roads Update

Supervisor Kelley stated that the roads are in good shape and the dust has subsided with the recent rain.

Sunny Beach Road Pay App #7

Supervisor Kelley shared the latest pay app with the board. All of the work has been completed except filling in the inside shouldering. He also added that he was contacted about a resident parking on the road on Jane Lane again. Supervisor Kelley talked to the resident asking him not to park in the roadway. The Sheriff's office has been notified and will be issuing tickets if the problem persists.

Southwood Road Drainage Ditch

Supervisor Schack stated that a resident contacted the township with concerns about dumping in the ditch again on Southwood Road. There were photos taken as part of the agenda packet showing cement dumped in the ditch. Supervisor Schack suggested adding no dumping signage in the area.

Chair Clayton will send out letters to residents in that area to remind them to not dump anything in the ditches.

Recreation

Park and Cemetery Inspection Reports for May 2023

A motion was made by Supervisor Kelley and seconded by Supervisor Schack to approve the Park And Cemetery Inspection Reports for May 2023. Ayes-5; Nays-0. Motion carried.

Weed Inspection Report

Supervisor Gilbert shared that lupines are in bloom and no wild parsnip has been found in the township. He is looking for poison hemlock in the area but has not found any to date.

Flowers for Pollinators

Supervisor Gilbert stated that the township is working on a pollinator garden at Crystal Park. As of now, there is heal-all, common milkweed, daisies, butterfly weed, curly dock, white champions, red clover, common mullein and more. There is common tansy that will need to be removed from the area.

Firewise

Supervisor Schack discussed the Firewise project, explaining that residents should keep brush and debris 100ft from their house in case of a wildfire. There will be a pick-up for branches, brush, etc coming soon. A form is available for residents who participate to fill out to keep track of hours spent cleaning up. The Firewise program will be reimbursed for the hours and costs incurred. Residents can contact Supervisor Schack for the form at supervisorehpt@gmail.com or 218-340-8852.

MowDaddy Contract

Chair Clayton stated that MowDaddy sent the signed contract back with the statement "allow for cost-of-living increase for 2024 and 2025 seasons. Max 5%, if Harris Township agrees". The board held a discussion on the reasons for not approving the clause, as cost-of-living increases should have been included in the bid and not after it was approved.

A motion was made by Supervisor Kelley and seconded by Supervisor Schack to deny the request from MowDaddy allowing for cost-of-living increase for 2024 and 2025 seasons. Chair Clayton will send a letter to MowDaddy explaining the board's decision to deny the request.

Town Hall

Town Hall Report for May 2023

A motion was made by Supervisor Schack and seconded by Supervisor Davies to approve the Town Hall Report for May 2023. Ayes-5; Nays-0. Motion carried.

Maintenance

Maintenance Report for May 2023

A motion was made by Chair Clayton and seconded by Supervisor Schack to approve the Maintenance Report for May 2023. Ayes-5; Nays-0. Motion carried.

Old Business

Wunderlich Easement

Jake Wunderlich approached the board to request easement access from the entry of the cemetery to his property. He discussed the benefits of the county not having to construct a new approach and not having the possible drainage problems with another culvert added. He would also be taking care of the lawn and snow on that side of the easement.

The board reviewed photos shared of the possible easement. Discussion was held on the concerns of the easement.

Jeff Wunderlich, 16527 River Rd, added that they have begun clearing brush on the property and plan to keep the mature oak trees at the entrance to the driveway. He also stated that if the entrance to the property was further north of the cemetery entrance, it could disrupt the future snowmobile trail.

A motion was made by Supervisor Gilbert and seconded by Supervisor Davies to potentially approve the easement agreement between Harris Township and Jake Wunderlich which would only include a sliver of the cemetery road entrance, and contingent upon Supervisor Kelley inspecting the location of the easement and bringing it back to the board for final approval. Ayes-5; Nays-0. Motion carried.

New Business

Share the Road Signage

Supervisor Schack discussed possible share the road signs for Wendigo Park Rd. The board will discuss signage further at the next work session.

Mishawaka Public Water Access Cooperative Agreement

Chair Clayton reviewed the Mishawaka Public Water Access Cooperative Agreement with the board for the Mishawaka Landing project. The agreement allows the DNR to provide \$14,025.00 in funding for the project.

A motion was made by Supervisor Davies and seconded by Supervisor Schack to approve the Pokegama Lake Mishawaka Public Water Accesses Cooperative Agreement Between the State of Minnesota and Harris Township. Ayes-5; Nays-0. Motion carried.

Work Session

**Re: Mishawaka Landing, Grant Opportunities, Fight Blight,
Crystal Park, and Road Signage**

July 14, 2023

5 pm Harris Town Hall

Present: Madam Chair Clayton, Vice-Chair Schack, Supervisors Davies, Gilbert, Kelley, and Clerk Derfler
Others Present: Sarah Carling / CEDA

The Work Session was called to order at 5:00 pm by Madam Chair Clayton.

The pledge to the flag was conducted.

The purpose of the session was to discuss the Mishawaka Landing, Grant Opportunities, Fight Blight, Crystal Park, and Road Signage.

Mishawaka Landing

Supervisor Kelley stated that all the material for the Mishawaka Landing project has been received. Casper Construction is projecting starting the project around the end of August, 2023. The project is expected to take 4-5 days.

Sarah inquired about the next landing that will be worked on. The board will schedule a site visit for Casper Landing and Picnic Park.

Chair Clayton suggested that the board do a public access tour this fall.

Grant Opportunities

Chair Clayton stated that there is a Culture and Tourism Grant available from the Minnesota Mining Industry and the IRRR. The township could apply for the second cycle, January 2 – January 31, 2024. The grant matches up to \$30,000.00. There is not a maximum on the Trails grant. There is also a grant available for grant writing fees, matching up to \$6,000.00.

Sarah stated that they prefer the project be started within 6 months of the award date. There are extensions that can be applied for, up to three years.

The board stated that since there is grant money already assigned for Wendigo Park, that the grant would best be used for projects within that park. The basketball and tennis courts need to be resurfaced. There were quotes received from Hawkinson and Morrison Seal Coating, but Morrison pulled their quote due to lack of employees.

Sarah will assist in getting more contacts for bids. She asked that the board prepare a spreadsheet, broken down by item, with costs, what money the township will be contributing, grant money already received, and timelines for the project(s). This will allow her to see the overall budget and search for other grants that may be available.

Crystal Park

Supervisor Gilbert reviewed the sketch for Crystal Park with the board. The sketch includes a walking trail, disc golf, shade sails, a soccer field in an otherwise unused space, workout stations, a dog park in the existing hockey rink, and more. There is concern over the maintenance of the new spaces.

Sarah stated that, given the scale of the project, a community survey and canvassing the public would be necessary to ensure that the community is in favor of the project. She suggested the board determine the projects within the park that they would like to move forward with. She also recommended the board find park projects that would be unique to the area.

Supervisor Gilbert that there is tansy present in the pollinator garden. He asked if maintenance will be taking care of that or should he remove it. The weed inspector for the township is the only person that should be disposing of noxious weeds.

Chair Clayton stated that they should meet with the master gardener again and form a plan for moving forward with the pollinator garden.

Road Signage

Chair Clayton provided the board with samples for "share the road" and "children at play" signs. The board discussed which signs would be necessary and where the signs should be located.

The board also discussed the speed signs and locations for installation.

There should also be brush clearing in front of the 45mph signs on Wendigo Park Rd for better visibility.

Four "share the road" signs total will be purchased for Sunny Beach Rd and Wendigo Park Rd. Two "share the road" signs will be on each end of Sunny Beach Rd. Two more "share the road" signs will be for each end of Wendigo Park Rd.

Two speed signs total will be purchased for Wendigo Park Rd. One for the corner going south towards Sunny Beach Rd. and one coming off the swamp going up the hill.

Fight Blight

Chair Clayton shared some dates that are available for Fight Blight. The board determined that three days would be best.

The dates chosen were September 14-16 from 9am-5pm at the Service Center. Environmental Services will provide the dumpsters and pick up as needed. Volunteers will be needed for the event.

The event will be advertised in the newspaper, on Facebook, and on the website.

A motion was made by Supervisor Gilbert and seconded by Supervisor Davies to adjourn the meeting at 6:37 pm.

**INDIVIDUAL SEWAGE TREATMENT SYSTEM (ISTS)
MONITOR AND DISPOSAL CONTRACT
HOLDING TANK**

1. General Provisions

A. Purpose

The purpose of this contract is to define the obligations of the Property Owner and a Licensed Pumper with respect to compliance of Minnesota Pollution Control Agency - Chapter 7080 Rules pertaining to ISTS—specifically 7080.0172, Subp. 3. **HOLDING TANKS**

B. Obligation

The Owner of Property described as 33121 Crystal Springs Road Grand Rapids, MN 55744 has received approval for the installation of a holding tank, on said property, under Permit # _____ which is subject to the requirements set forth in 7080.0130, subparts 1 and 4 including that the holding tank have a suitable cleanout pipe, be 1500 gallons in size, be located in accessible area for maintenance and have an alarm device to minimize chance of sewage overflow. The property owner shall be required to immediately establish and maintain a contract with a licensed pumper for proper disposal and treatment of the sewage. The contract is to be maintained until the holding tank is properly abandoned.

The Licensed Pumper shall guarantee the removal of the tank contents prior to overflow or any discharge, to an appropriate facility established for that purpose.

The schedule for maintenance shall be as follows:

Property owner will call for pumping when alarm device turns on or on a regular schedule as agreed.

The fee schedule (dollar amount and dates of payments) shall be as follows:

(as agreed between pumper and home owner)

C. Contract Agreement

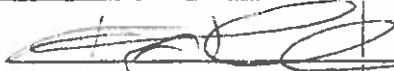

Property Owner/Address:

Pumper - Name/Address/License #: 785 - BUNES SEPTIC SERVICE, INC.

Resolution 2023-018

RESOLUTION TO ERECT REGULATORY SPEED SIGNS IN RURAL RESIDENTIAL DISTRICTS

WHEREAS, Minn. Stat. § 169.14, subd. 2(a)(8) establishes a 35-m.p.h. speed limit on town roads in rural residential districts; and

WHEREAS, a "rural residential district" is defined in Minn. Stat. § 169.011, subd. 69a, as "the territory contiguous to and including any ... town road that is built up with visible dwelling houses situated at intervals averaging less than 300 feet or less for a quarter mile or more."; and

WHEREAS, Minn. Stat. § 169.14, subd. 2(c) indicates that a 35-m.p.h. speed limit on a designated rural residential roadway is not effective unless the signs are erected designating the speed limit and indicating the beginning and end of the residential roadway on which the speed limit applies; and

WHEREAS, the Harris Town Board has determined, as a result of on-site inspections, the following road(s) or road segment(s) of Wendigo Park Road, within a rural residential district as defined above; and

WHEREAS, as a town road(s) within a rural residential district the legislature has established the speed limit to be 35 m.p.h. without the need for a speed study by the Minnesota Department of Transportation;

NOW, THEREFORE, BE IT RESOLVED, by the Town Board of Harris Township, Itasca County, Minnesota that 35-m.p.h. regulatory speed limit signs be erected on the above-described road(s) or road segment(s) in accordance with the Minnesota Uniform Manual on Traffic Control Devices.

REPORTING INSTRUCTIONS FOR STATE AND LOCAL CONSTRUCTION PROJECTS

We estimate this survey will take an average of 30 minutes to complete for your first month of reporting and 10 minutes for subsequent months, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this voluntary collection of information, including suggestions for reducing this burden, to: EID CEB Survey Comments 0607-0153, U.S. Census Bureau, 4600 Silver Hill Road, Room EID-7K081, Washington, DC 20233. You may email comments to eid.ceb.customer.service@census.gov. Be sure to use "EID CEB Survey Comments 0607-0153" as the subject.

▶ Section A – PROJECT IDENTIFICATION

Correct any information in items 1a and 1b if necessary.

For the project described in item 1a to be government owned, it must be state, local, or federal government owned **during construction** and involve the erection of a new structure(s) or improvements to an existing structure(s) as defined below.

For the project described in item 1a to be privately owned, it must be privately owned **during construction** and involve the erection of a new structure(s) or improvements to an existing structure(s) as defined below.

If the project is only maintenance and repairs, please note so in item 9, Remarks, complete item 2, and return the form.

▶ Section B – PERSON TO CONTACT REGARDING THIS SURVEY

Item 2 – Enter or correct the information for the person who can answer questions about this survey.

▶ Section C – OWNERSHIP, START AND PROJECTED COMPLETION DATES

Item 3 – As noted, "ownership" for purposes of this survey, depends on the owner **during the construction phase**. Check the appropriate box.

Item 4a – The start date is defined as the date that actual construction work first began on the project described in item 1a. If the project is to start at some future date, please enter the date, complete item 2, and return the form.

Item 4b – The projected completion date is defined as the date the project described in item 1a is expected to be completed.

▶ Section D – COST ESTIMATES

"Construction," for purposes of this survey, is defined as the building of and/or improvements to fixed structures. This **INCLUDES**:

- a. New structures, additions, alterations, conversions, expansions, rebuilding, reconstruction, renovations, rehabilitations and major replacements, such as the complete replacement of a roof or heating system.
- b. Mechanical and electrical installations – Plumbing, heating, electrical work, elevators, escalators, central air-conditioning, and other similar building services.
- c. Outside construction – Clearing and grading of undeveloped land and the fixed, auxiliary structures which the project owner builds within the property lines. Also, roadways, bridges, parking lots, utility connections, outdoor lighting, pools, athletic fields, piers, wharves and docks, and all similar auxiliary facilities.

FOR HEAVY NONBUILDING PROJECTS

In addition to a, b, and c, construction **INCLUDES**:

- d. Fixed works, such as power plants, dams, highways, bridges, reservoirs, and sewer and water facilities.
- e. Machinery and equipment which are integral parts of structures. Also fixed, largely site-fabricated equipment, such as storage tanks.
- f. The following types of equipment: boilers, towers, and fixtures.

EXCLUDE: Movable machinery and equipment which are not integral parts of structures. Also, for power generation plants, exclude primary power producing machinery, such as generators, reactors, and steam engines.

Item 5a – Estimate the total amount to be paid to construction contractors by the project owner for work done on this project.

Item 5b – Estimate the total cost of labor by the owner's construction employees working on the project, including supervisory personnel assigned to the project. Include the total cost of all construction materials supplied by the owner, including those the owner expects to supply to the contractor for installation in this project.

Item 5c – Sum of values reported in items 5a and 5b. **This is the value to be reported in item 8a**, monthly value of construction put in place.

Item 6 – Estimate the total amount of fees which the project owner has paid or will pay to architectural and engineering firms for work on this project. Also estimate the total cost of all other construction items which the project owner will allocate on the books to this project. Include the project owner's overhead and office costs, the cost of design work by the owner's staff, and other miscellaneous construction fees and costs allocated on the owner's books. **DO NOT** include the cost of movable machinery and equipment, land, furniture, and furnishings. If book figures are not available, reasonable estimates are acceptable.

Item 7 – Intentionally left blank.

▶ Section E – MONTHLY CONSTRUCTION PROGRESS REPORT

Item 8a – Report the monthly value of construction put in place for the costs associated with item 5c. These costs include:

- a. Work done by contractors and/or subcontractors, including any retainage being withheld until the work is complete.
- b. The cost of any materials installed which were provided by the owner.
- c. The work done by the project owner's own construction employees, including supervisory personnel assigned to this project.

Initially, report monthly values from the start month to the most current month shown in item 8a. Then each month, when the form is returned to you, report for the month shown and any revisions which you might have. When entering monthly data, **be sure to report the costs in the month in which the work was done rather than in the month in which payment was made.**

If the contractor's bills are for periods other than monthly, estimate a monthly amount. If costs are not available, please leave the value blank. In each month where there is no construction, enter a zero.

Item 8b – If construction is complete except for some minor work or retainage (up to 3 percent of item 5c), you may stop reporting on this project by entering the completion date in item 8b and indicating any remarks in item 9.

JOINT POWERS AGREEMENT TO REGULATE UTILITY RATES

AGREEMENT made this ____ day of _____, 2023, by and between Harris Township, Blackberry Township and the City of Grand Rapids, collectively known as the “Cities.”

RECITALS

A. Grand Rapids has passed an ordinance granting to Gorhams’, Inc., a Minnesota corporation (d/b/a Northwest Natural Gas), a non-exclusive right for a period of 22 (twenty-two) years to erect and maintain a gas system (the “Gas system”) to distribute and sell natural gas in the Grand Rapids. Harris and Blackberry Townships will likewise be entering into an agreement with Gorhams’, Inc. to provide the same service in Harris and Blackberry Townships.

B. There has previously been filed with the Public Utilities Commission a resolution exempting Northwest Natural Gas from the regulatory provisions of *Minnesota Statute Sec. 216B*. Accordingly, Harris Township, Blackberry Township and the City of Grand Rapids have the authority under Minnesota Law to set the rate that Gorhams's Inc. is allowed to charge its customers in the territorial boundaries of all three entities.

C. The Harris Township, Blackberry Township and Grand Rapids believe it is in their best interest that they act in concert and unity regarding their regulation of the rates and other activities of Northwest Natural Gas and the Gas System. By establishing a joint board, the entities believe that this will yield a consistent rate within all three jurisdictions whose residents will share in the benefits of this utility.

TERMS

NOW, THEREFORE, in consideration of the promises, covenants and agreements herein contained, the parties agree as follows:

1. Purpose. The purpose of this Agreement is to establish a Joint Powers Gas Board (the “Board”) that has the exclusive right and power to regulate the rate that Gorhams’, Inc, pursuant to state law, be allowed to charge its' customers. All three entities will act in accordance with *Minnesota Statute 216B.02, subd.4, et. al*, as they may be modified from time to time.

2. The Board. There is hereby established a Board to act as the governing body to enforce the terms of this Agreement. The Board shall consist of five (7) members. Harris Township, Blackberry Township and Grand Rapids shall each be represented by two (2)

members on the Board, with the members appointed by the Township Boards and the City Council respectively. The seventh Board Member will serve a one-year term and in 2023 be the Harris Township Board Supervisor, in 2024 it shall be the Blackberry Board Supervisor, in 2025 be the Mayor of Grand Rapids, and then alternative in the same manner for the duration of this agreement. A majority of the members shall constitute a quorum for the transaction of business. No member of the Board shall be eligible to vote on any matter brought before the Board if the entity which he or she represents shall be in default on any financial payment required to be paid under the terms of this Agreement. A vacancy on the Board shall be filled by the applicable governing body.

3. Execution of Agreement. Grand Rapids, Harris and Blackberry Townships shall approve this Agreement by the adoption of an appropriate resolution by its governing body. Certified copies of the resolution shall be filed with each entity. Appropriate officials from each of the entity shall execute this Agreement on behalf of their respective governmental unit.

4. Meeting and Election of Officers. The business of the Board shall be conducted in accordance with Robert's Rules of Order, as well as, in accordance with the Minnesota Open Meeting Law. A Chairperson and a Secretary shall be elected annually by the Board from among its members.

The Board shall meet at least annually and more often as required to conduct business. Special meetings may be called by any two Board members. Notice of all meetings shall be sent to all members of the Board by the Secretary at least three (3) days prior to the meeting.

5. Powers and Duties of the Board.

a. Harris Township, Blackberry Township and the City of Grand Rapids hereby appoints the Board as its exclusive agent to deal with Gorhams' Inc. regarding the regulation and operation of the Gas System, as it pertains to the setting of rates pursuant to *Minnesota Statute 216B.02, subd.4, et. al*, as may be modified, and agree to follow the orders of the Board regarding the setting of appropriate rates.

c. The Board shall have not have a specified budget. If monetary compensation is requested from either Harris Township, Blackberry Township or Grand Rapids, the same must meet with majority approval of all three entities.

6. Distribution of Assets. Cash assets, if any, held by the Board shall be divided and distributed to both entities in proportion to the contributions of the entities at the time of the termination of this Agreement or earlier if the purpose of this Agreement has been completed.

7. Duration and Termination. This Agreement shall become effective upon execution of this Agreement by Harris Township, Blackberry Township and Grand Rapids and shall remain effective until terminated. Termination become effective upon one party providing the other party 30 (thirty) days written notice to the other of their desire to terminate said Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement the date and year set forth below.

You will need your authentication code 8676.

Effective July 21, 2023, a one-time "Copy of Bill" fee of \$6.00 may apply when a customer requests a reprint of a monthly bill. This one-time charge applies per copy provided, whether multiple or single copies are requested. Copies of invoices from the past twelve months are available online and can be downloaded at no charge to you. Additional information regarding your CenturyLink bill can be found at <https://www.centurylink.com/home/help/account/billing.html>.

Effective August 1, 2023, grandfathered residential and small business services are no longer eligible for temporary suspension (vacation rates) and are not eligible for transfer of service between customers. A grandfathered service is one that is no longer sold, and availability is limited to lines currently in service at existing locations. Changes or additions are not permitted on accounts associated with grandfathered services. You may remove a grandfathered service from your account at any time. Please note, however, that grandfathered services and listings removed from your account may not be subsequently reinstated.

The Federal Universal Service Fund (USF) rate is reviewed on a quarterly basis by the Federal Communications Commission (FCC). You may see changes on your bills in January, April, July and/or October. CenturyLink will apply rate changes on all applicable charges. The Federal USF rate and charge are clearly identified on your bill. The effective rate can be found on <http://www.fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>. The annual adjustments of a federally approved telephone Subscriber Line Charge and Access Recovery Charge take effect July 1, 2023. These rates may be reviewed and adjusted in October, as well. These charges cover part of the cost for providing
